

DO I NEED A WILL? (Yes, You Do!) ■

- You may wonder if you need a Will
- You may think that you don't have enough assets to justify making a Will
- You may believe that having a Will forces your heirs to go through a long and expensive legal proceeding
BUT...

Making a Will is actually a good idea for everyone!

- A Will allows you to leave property to those you choose
- A Will allows you to name a guardian for children and to provide for their care
 - A Will allows you to create a testamentary trust
 - A Will allows to plan for personal matters
